

# Know Before You Go

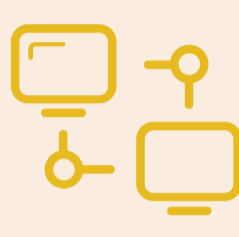

See why GoToMeeting is the most trusted web conferencing tool.

We think the numbers, the people who use GoToMeeting, and the technology do the best job explaining why it's the best way to make connections.

## TRUST IN NUMBERS

**56 million** online meetings and counting  
with 99.9% uptime and end-to-end encryption

**7 billion** minutes of screen-sharing time  
1-click access makes meetings more inviting

**1 billion** minutes of audio conferencing  
you don't have to be face-to-face to connect

**#1** in customer support  
live, human, real-time phone support

**24/7** FREE, localized 24/7 support online and on the phone.

## TRUST IN OTHERS

**CONNECT ANYWHERE**

**EASY TO USE**

**WORK SMARTER**

“It's really become an integral part of how we collaborate globally.”

Dan Giovannetti  
Chief Financial Officer,  
Bergstrom Inc.

“The interface is easier to use, more intuitive.”

Simon Eldon  
Global Infrastructure  
Manager,  
Euromonitor International

“Savings is a big one – savings on travel, on time and carbon footprint too.”

Dana Fox  
Director of Global Business  
Development  
Athena Software

## TRUST IN TECHNOLOGY

### ALL KINDS OF AUDIO

#### Call Me

Just pick up the phone and join the meeting. No codes needed.

#### Built-In Audio

Choose between VoIP and toll-based options at no extra cost.

#### Toll-Free Option

OpenVoice makes setting up toll-free conferencing easy.

## SO MANY WAYS TO SHARE

#### Share Your Screen

Present a document, a presentation, an application or a doodle.

#### Share Your Webcam

HD video lets you meet face-to-face with up to 6 participants.

#### Share Your Time

Schedule meetings in advance or be spontaneous and host a meeting now.

## COLLABORATE FROM ANYWHERE

#### Desktop Meetings

Meet with 1-click from your Mac, PC, Chromebook or Linux.

#### Mobile Meetings

Start or join instantly from your on-the-go devices.

### GoToMeeting Mobile Apps
